

John 14

Comfort comes from within

- 1 What causes you stress or makes you anxious?
- 2 In what ways does this makes you fearful?
- 3 In Vs 1-14 Jesus address current fears with future focus. What are they?
- 4 How has your view of 'earthly fathers' been an influence on your view of comfort of the 'heavenly Fathers house'. Why is it important that we get a bigger view of God as Father? (Jesus mentions his Father 13 times in this chapter - compare your view with Jesus view)
5. Read Vs 14:27 & list the ways that Jesus gives Peace that is different to the way the world views peace.
6. When Jesus says to you, right now, "I give you my Peace" where specifically would you like that Peace to apply in your life right now?

Pray that the Spirit will regenerate the Peace Jesus gives us all who know Him as Lord.

Do you know this Jesus?
