## Good life...good works

Think about and discuss one or two questions from each section.

### The text – Proverbs 10:6-14

1. From Proverbs 10, we will read and explore verses 6-14. The group of proverbs in chapter 10 are loosely grouped around living wisely in the areas of speaking (words) and riches (wealth). Read 10:6-14 as a group. Which of these proverbs are about words?
2. Consider 10:6-7. The word “blessings” is about words of blessing. God’s blessings are spoken words, promises of faithfulness and love. When we bless one another we speak words to one another or perhaps pray for one another. How does God bless his people? How do we bless one another?
3. In 6:9 the word translated “blameless” or “integrity” is very important. What does “blameless” mean? What is the contrasting word that describes the life of the wicked? Draw some contrasts between the righteous and the wicked with regard to speaking.
4. On two occasions in 6:8 and 6:10 fools are described as “babbling” or “chattering”. What do you think this word means? Why is it a foolish way to speak?

6. What does Jesus teach about his own words in John 12:47-50? In what way is Jesus the epitome of wisdom?
